Our History, Our Stories

As part of our Christchurch 50th Celebrations in 2025, we would love to hear, and share, the stories of our graduates. We want to record the memories – the funny, the sad, the transformative – and hear about your journey since your time at BCNZ or Laidlaw College. How has God used you to serve him in the communities he has placed you – be it ever so humble or extraordinary?

We hope to create a collection that will be accessible online. By filling out this form you are indicating that you are giving permission for us to use your stories – and for that, we thank you. We may contact you to find out more!

Please answer the questions below, and feel free to attach more pages if needed.
